INSTRUCTIONS.

1. Every soldier must qualify in this course, and fire a minimum of 80 rounds service ammunition before embarkation.
2. Those who reach the qualifying standard in Parts I. and II. will be classed as "Qualified."
3. Soldiers who fail to reach the standard in any practice or practices in Part I. will, after completing Part I., repeat the practice or practices in which they failed; those who fail to qualify in Part II. will repeat all the practices of Part II. Men who fail at the second test will be marked on their record cards "Failed, detailed for fatigues." When they reach the front, if not in the meantime qualified, they can be told off to do fatigue work for those who can shoot.
4. The practices mentioned below will be conducted in accordance with the principles laid down in Musketry Regulations, Part I., 1909 (Reprint 1914), and Supplementary Instructions for Musketry Course A, M. Forces.
5. Men who reach the qualification standard will be required to repeat practices 3 and 6, or carry out individual field practices before embarkation.
6. Squadron, Battery, Company Commanders, &c., will furnish a statement to their Commanding Officers at conclusion of course, certifying that all members of their units have completed. They will at the same time, bring under notice the number and names of those who have failed and are recommended for discharge.

STATEMENT OF CASE.

Note.—The answers to the following questions are to be filled in by the Officer in medical charge of the soldier. In answering them he will carefully discriminate between the man's unsupported statements and evidence recorded in his military and medical documents. He will also carefully distinguish cases entirely due to venereal disease.

Answers to questions 9 and 10 will be read over to soldier prior to his signing. If no disability is present this signature does not debar the soldier from making a subsequent claim for disability considered attributable to military service.

9. Date of origin of disability No disability.
 10. Place of origin of disability Not applicable
 11. Give concisely the essential facts of the history of the disability, noting entries on the Medical History Sheet bearing on the case.

 (iii) Serious negligence or misconduct on the man's part }
 (B) If not due to any of these causes, to what specific condition do you attribute it? }

13. What is his present condition?

Weight should be given in all cases when it is likely to afford evidence of the progress of the disability.

Nil abnormal detected.

14. If the disability is an injury, was it caused—

- (a) In action?
- (b) On field service?
- (c) On duty?
- (d) Off duty?

15. Was a Court of Inquiry held on the injury?

- If so—
- (a) When?
 - (b) Where?

* Loss of teeth on, or immediately after, active service, should be attributed thereto, unless there is evidence that it is due to some other cause.

OPINION OF THE MEDICAL BOARD.

NOTES.—(i.) Clear and decisive answers to the following questions are to be carefully filled in by the Board, as on these may depend decision as to a claim for pension.

(ii.) Expressions such as "may", "might", "probably" &c., should be avoided.

(iii.) In answering question 21 the Board should be careful to discriminate between disease resulting from military conditions and disease to which the soldier would have been equally liable in civil life.

(iv.) A disability is to be regarded as due to climate when it is caused by military service abroad in climates where there is a special liability to contract the disease.

(v.) The Board will confine itself to the soldier's condition at the time of holding the Board, and unless disability is present has no reference to the past or the future.

21. State whether the disability is:— (a) Attributable to (b) Aggravated by

- (A.) (i.) Service during the present war
 (ii.) Climate during present war
 (iii.) Serious negligence or misconduct on the part of the soldier
 Give details:

(iv.) Whether it is constitutional or hereditary.

(B) If not due to one of the first three of these causes, to what specific conditions do the Board attribute it?

22. Is the disability permanent?

23. What is the degree of disablement at present existing (for the general labour market)?

*Degrees of Disablement should be expressed in the following percentages:—
 100, 80, 70, 60, 50, 40, 30, 20, less than 20, or nil.*

24. If an operation was advised and declined was the refusal unreasonable?

This form will be used for the finalization of all invalids in Australia, and will embody (Question 11) all information contained on the papers of invalids returned from overseas. Question 13 will include in its Answer a detailed careful account of the medical condition of the patient on finalization. On completion of the Board, it will be forwarded to the P.M.O. by hand, for confirmation, thence to the S.O.I. and R.S., who will make necessary copies. **This report is confidential.**

Single copies only need be forwarded to Head-Quarters.

For discharge of members of services other than the permanent forces the District P.M.O. may approve for the D.G.M.S.

OPINION OF MEDICAL BOARD ON FINALIZATION.

NOTE.—Clear and definite answers to the following questions are to be carefully filled in by the Board, as, in the event of the man being invalided, it is essential that the Deputy Commissioner of Pensions should be in possession of the most reliable information to enable him to decide upon the man's claim for pension, and the Deputy Comptroller of Repatriation, of information to enable him to decide questions of assistance and vocational training.

21. State whether the disability is clearly (a) Due to Military Service, (b) Aggravated by Military Service, (c) Independent of Military Service; (d) Due to, or aggravated by, want of proper care on man's part, intemperance, misconduct, &c.
22. Is the present degree of disability permanent?
23. If not, at what rate and to what degree do you anticipate improvement?
24. To what extent is his working capacity at present affected by his disability? (a) In his pre-enlistment trade or occupation?
(b) In the general labour market? (Estimate as a percentage of full capacity)
25. If an operation was advised and declined, was the refusal unreasonable?
26. Do the Board recommend discharge as permanently unfit for General Service?
27. If discharge is recommended, it should be stated whether further treatment is desirable in a (a) Sanatorium, (b) Therapeutic Institution, (c) Convalescent Home, (d) Asylum, or (e) other institution. State whether further treatment should be an in-patient or an out-patient, and for what period

This form will be used for the finalization of all invalids in Australia, and will embody (Question 11) all information contained on the papers of invalids returned from overseas. Question 13 will include in its Answer a detailed careful account of the medical condition of the patient on finalization. On completion of the Board, it will be forwarded to the P.M.O. by hand, for confirmation, thence to the S.O.I. and R.S., who will make necessary copies. **This report is confidential.**

Single copies only need be forwarded to Head-Quarters.

For discharge of members of services other than the permanent forces the District P.M.O. may approve for the D.G.M.S.
