3. In the case of non-operational employment - Section (C), the State in which the member desires to serve may be indicated by circumscribing a ring around the name of the State preferred.
4. Consideration can only be given to a preference if the member's previous experience or qualifications justify employment therein.

Conditions Governing Enlistment, Promotion,
Re-muster, Transfer and Discharge.

The following information has been conveyed to the applicant, whose signature is appended :—

1. On enlistment, airmen become subject to the Air Force Act and Air Force Regulations as amended from time to time and Orders promulgated under the authority of that Act and Regulations.
2. Enlistment will be for the duration of the war and for a period of not more than twelve months thereafter.
3. Enlistment is for service anywhere, and no guarantee can be given as to location at any time, but the wishes of personnel will be considered as far as the exigencies of the Service permit. Airmen must be prepared to serve overseas or in Australia.
4. Promotion to higher ranks, re-muster to other trades, and transfer to other units are governed by the following factors :—
 - (a) the requirements of the Service;
 - (b) the existence of vacancies;
 - (c) the special qualifications of an airman for holding any position other than that to which he has been appointed.
5. Promotion, re-muster, or transfer is always by selection and cannot be claimed as a right by any airman.
6. Re-muster to another trade is subject to the applicant having passed the prescribed trade test, and subject to vacancies occurring in approved establishments.
7. The passing of an examination for promotion, or a trade test for re-muster, does not entitle the airman to immediate promotion or re-muster, as promotion is always governed by the conditions set out in paragraphs 4, 5 and 6 above.
8. An airman may be discharged at any time for any of the reasons laid down in Air Force Regulations.
9. An airman's fare is paid from his place of residence to his place of enlistment. A married man, who desires to bring his wife and children to his place of enlistment may do so at his own expense.
10. If an airman after enlistment desires to change the location of his household, the cost of removal of furniture from his place of residence to his place of enlistment or to any place of subsequent posting must be borne by the airman. No portion of this expense is payable by the Department.
11. Airmen receive free medical and prescribed free dental treatment. Their wives and children will not receive free medical or dental attention.
12. The rates of pay for airmen enlisted for the period mentioned in paragraph 2 above have been explained to me.
13. I thoroughly understand and accept the conditions set out above.

I am willing to undergo vaccination and
innoculation on enlistment in the Air Force

Dear Sir,
I wish to apply for enlistment
in the Air Force.

Having been told that
I have to pass trade, and medical
tests, I wondered if a Sgt. Thompson
now serving in the A.I.F. here
formerly an instructor in Gunfell St.
Tech School, could not with your
permission give me my Trade test
up here.

The Military Doctor here could
possibly give us our Medical examin-

As a last favour could you
tell if I have to go to Adelaide
for my tests how long it would
be before I knew ~~whether~~ whether
I had succeeded in my tests as I
am giving up an excellent job
up here.
