Opinion of the Medical Board.

NOTES.—(i) Clear and decisive answers to ALL the following questions are to be carefully filled in by the Board, as, in the event of the man being invalided, it is essential that the authorities of the Military Forces, should be in possession of the most reliable information to enable them to decide upon the man's claim to pension or compensation.

(iii) In answering question 23 the Board should be careful to discriminate between disease resulting from Military conditions and disease to which the Soldier would have been equally liable in civil life. (iv) A disability is to be regarded as due to climate when it is caused by Military Service abroad in climates where there
is a special liability to contract the disease.
21, State how far the Board concur with the answers to Questions 7-20-i.e., "in toto," "partially," or
"not at all." If either of the latter give detail
